

IMPACT OF INSURANCE IN NEW YORK

The insurance industry is a major contributor to New York State's economy and communities—providing **financial security** to consumers and businesses and **vital services** to people in their time of need. **Let's take a look at the numbers!**

\$46.7 Billion in Economic Output

The insurance industry's contributions to the New York State economy accounted for 3.4% of the state's gross domestic product. Insurance contributed more than a variety of other key industries, including construction, utilities and transportation.¹

\$1.4 Billion in Taxes

Premium taxes paid by insurance companies in New York State totaled \$1.4 billion in 2015, in addition to numerous other taxes, assessments and fees.²

\$24.9 Billion in Claims

Insurance provides New Yorkers with financial security and enables people to live life to the fullest. Individuals would not be able to own a home, drive a car or start a business without insurance.³

\$1 Billion in Charity

By donating financially to a myriad of worthy causes, New York insurance companies and agents contribute to philanthropic giving of \$1 billion annually on a national level. Even more importantly, employees dedicate their time to help those in need—whether it's Meals on Wheels, flood recovery efforts or building a playground—the industry is always looking to make a difference.⁴
